### Crystallization-Study of Ezekiel

#### Week 7

The Highest Point in Our Spiritual Experience —  
Having a Clear Sky with a Throne above It

#### Scripture Reading

Ezek. 1:22-23 "And over the heads of the living creature there was the likeness of an expanse, like the sight of awesome crystal, stretched forth over their heads above. And under the expanse one pair of their wings went straight out, one toward the other; each had another pair covering their bodies on this side and on that side."

Ezek. 1:26 "And above the expanse that was over their heads was the likeness of a throne, like the appearance of a sapphire stone; and upon the likeness of the throne was One in appearance like a man, above it."

#### Ministry Portion

We need to maintain a clear sky with the Lord, that is, have a clear fellowship with Him; in our spiritual experience, to have the throne above a clear sky is to allow God to have the highest and most prominent position in our Christian life.

- Crystallization-Study of Ezekiel : Banner III

---

#### Message Seven - Study Questions

1. What does it mean to have a clear sky?
2. What does it mean for the living creatures to drop their wings?
3. What is the highest point in our spiritual experience?
4. What is the only authority in the church?
5. What is the significance of the throne being in the appearance of a sapphire stone and of the throne being transmitted to the earth through and with the living creatures?
