### Crystallization-Study of Ezekiel

#### Week 4

The Coordination of the Four Living Creatures

#### Scripture Reading

Ezek. 1:9 "Their wings were joined one to another; they did not turn as they went; each went straightforward."

Ezek. 1:11-13 "And thus their faces were. And their wings were spread out upwards two wings of each were joined one to another; and two covered their bodies. And each went straight forward; wherever the Spirit was to go, they went; they did not turn as they went. As for the likeness of the living creatures, their appearance was like burning coals of fire, like the appearance of torches; the fire went to and fro among the living creatures, and the fire was bright; and out of the fire went forth lightning."

#### Ministry Portion

God needs a group of living creatures who can coordinate together as one corporate entity, the corporate Christ, for His expression, move, and administration; their coordination is not in themselves but in God and by the divine power, the divine strength, and the divine grace.
